## ***Community to celebrate completion of Goliad Road phase 1***

District 3 City Councilwoman Jennifer Ramos will join staff from the City of San Antonio's Capital Improvements Management Services Department, community leaders, and neighborhood associations in celebrating the completion of phase 1 of the Goliad Road reconstruction project.

A ribbon-cutting ceremony is scheduled for 10 a.m. Thursday, July 10, at the corner of Goliad and Southeast Military Drive, next to the Walgreens store.

The \$5.6 million Goliad work, part of a 1994 drainage bond, reconstructed Goliad from Lassess Street to just south of Military Drive. Other funding sources were 1985 and 2003 revenue bonds.

Roadway improvements include 6-foot sidewalks, curbs, driveway approaches, and underground storm system to relieve drainage problems on Goliad. Future phases will reconstruct Goliad from Lassess to Pecan Valley Drive.

Civil Engineering Consultants served on this project and Texas Sterling Construction Co. was the contractor. Construction began in 2006 and was completed this spring.
